RE: Full Stack Web Developer

Dear Hiring Manager,

As a Post graduate from Rgukt Iit Ongole with a B. Tech in Electronic and communication engineering, I am extremely interested in the Full Stack Web Developer opportunity posted on the your website. After reviewing the key qualifications for this role, I am confident that I am well-prepared to be a valuable contributor to company growth and success.

Through my academic journey, I applied a strong focus on building my HTML and CSS abilities. I am detail-oriented and meticulous when managing competing priorities within tight deadlines. I work best in roles where utilizing javascript allows me to make a positive impact while using creative problem-solving to resolve issues and achieve goals.

My academic strengths have greatly contributed to the development of my communication, teamwork and problem-solving skills. I bring clear and effective communicating to build professional connections with co-workers, management and customers. I would welcome the opportunity to further discuss the details of my experience and attributes which I believe will be an asset to the your team. Please review my attached resume for additional insight into my background. Thank you for your time and consideration.

Sincerely,
Gutha Yamuna
